Common Construction Wage: Data Analysis

How the Votes turned out.

Executive Summary

- Since May 1, 2005 there have been 361 Common Construction Wage hearings.
- The Department of Labor has voted 15 times during all 361 hearings; voting only 4% of the time.
- There were only 3 tied votes that were broken by the DOL:
 - Colts Stadium
 - Convention Center
 - Perry County School Corporation: Tell City (Committee's action has been voided by the DOL and a new meeting will take place).

Executive Summary

- The Committees' established a wage without requiring a DOL vote 96% of the time.
- The DOL's vote, except for the three ties, would not have effected the outcome 97% of the time.
- The Associated Builders and Contractor's wage scale was adopted by the Committees 3% of the time (12 times out of 361 votes).
- The AFL-CIO wage scale was adopted by the Committees 89% of the time (321 times out of 361).
- The Workforce Development wage scale was adopted 2% of the time (8 times out of 361).
- Other wage scales were adopted by the Committees 6% of the time (20 times out of 361).
